<b>Certification number:</b>	ISCC-PLUS-Cert-DE143-33300086
<b>Place of dispatch</b>	Zeven

**Product related information**

<b>Product:</b>	NUK for Nature Silicone- and Latex-Soother
<b>Type of product:</b>	Baby care products
<b>Raw material:</b>	Polypropylene (linked to 100% to natural material (mass balanced))
<b>Raw material category:</b>	Bio-circular
<b>Country of origin:</b>	Germany
<b>Quantity of sustainable material:</b>	0.00516 kg
<b>Claim:</b>	The sustainable plastic used in the NUK for Nature products can be linked to 100% to natural raw materials via the ISCC PLUS certified mass balance approach. Thereby, the entire supply chain is "ISCC-compliant".

\*(for silicones see REDcert<sup>2</sup> certificate)
